

MyHealth Online – Pediatric and Disabled Teen Proxy

Pediatric and Disabled Teen proxy access for MyHealth Online allows you to securely communicate on behalf of an Atrius Health pediatric patient who is under the age of 13 (or 13 -17 yrs if the child is disabled). Access is obtained by completing the Pediatric and Disabled Teen Proxy Authorization Form and is automatically terminated on the child's 13th birthday.

Pediatric and Disabled Teen Proxy Terms and Conditions

- The proxy requestor must be the parent or legal guardian of the pediatric patient. If the requestor is not a parent or legal guardian, please call the number listed on the Atrius Health Site Location Information Sheet.
- The proxy requestor must complete and sign the attached Pediatric and Disabled Teen Proxy Authorization Form.
- Each proxy requestor must have an active MyHealth Online account but, does not need to be an Atrius Health patient.
- Each proxy requestor must submit one form per child.
- Proxy access is terminated on the child's 13th birthday. For disabled children, access can be re-established after re-submission of this form including signature from the primary care physician.
- Proxy access can be terminated, online or by written request, if access disputes between parents or between parent and patient cannot be resolved.

How do I obtain Pediatric and Disabled Teen Proxy access for MyHealth Online?

- The parent or legal guardian must complete and sign the attached Pediatric and Disabled Teen Proxy Authorization Form; one for each child.
- Parent or legal guardian can drop off or mail the form to the health site where the patient is receiving care or to the appropriate MyHealth Office listed on the Atrius Health Site Location Information Sheet.
- **If the pediatric patient is between the ages of 13-17 years, and is deemed disabled by his/her provider, the provider's signature must be obtained on the Pediatric and Disabled Teen Proxy Authorization Form.**
- Upon receipt requests are processed within 3-5 business days. Once processed, an access code and instructions will be forwarded to the proxy at the email address provided on the proxy authorization form.
